Hice Announces Mobile Office Hours in Washington, Jackson, and Sparta

Monroe, GA – Continuing his commitment to providing Georgians with the highest-quality constituent services possible, Congressman Jody Hice (GA-10) today announced the next set of Mobile Office Hours for 10th District residents. These monthly events are opportunities for individuals to meet with his staff to ask questions, share concerns, and get help with federal services.

“It’s incredibly important that I know your priorities as well as the places where you’re hitting roadblocks when it comes to dealing with the federal government,” said Congressman Hice. **“After years of working with federal agencies, my team can help cut through the red tape, and I’m glad these Mobile Office Hours allow you to meet with my staff and address your concerns while in your own local community.”**
